## STOP THE CUTS. RAISE THE WAGE.

## FUND THE FUTURE!

**WHEN: AUGUST 4, 11 A.M.**

**WHERE: SUFFOLK Y JCC  
74 HAUPPAUGE RD  
COMMACK, NY 11725**

For decades, New York State has not invested enough to sustain essential supports and services for New Yorkers with intellectual and developmental disabilities (I/DD). Without adequate funding, I/DD providers cannot offer competitive wages to recruit and retain the skilled direct support staff that provide care for more than 140,000 New Yorkers with I/DD. This emergency will continue to force service reductions, program closures, and loss of care.

Join us in the fight to get Direct Support Professionals the respect – and the pay – they deserve!
